

JOURNEYING IN FAITH

MAY THE ANGELS LEAD YOU INTO PARADISE

We said "goodbye" to our dear Pastor and Friend on Sunday, July 29th. It was difficult to "let go" of this wonderful Priest, Servant and Shepherd, but we know that he is with God and that his suffering is no more.

I have known Fr. Ron since 1977 when he came to St. Gregory Parish where I was ministering. He remained with us for five years and he endeared himself to all the parish members. Everyone who got to know Fr. Ron learned to love him for his kindness and gentleness.

Our Religious Formation Catechists and children as Our Lady of Grace will always remember him for his love, patience and understanding. He was with us for all of our functions at Prayer and at Celebrating the holidays and holydays. He gave support to our Program and our Teachers and enjoyed being with them on many occasions.

Whether it was "blessing the animals" or officiating at Thanksgiving Services, First Communions, Confirmations, Lenten and Advent Penance Services, Fr. Ron was with us. Even in his illness, he insisted in leading the last Lenten Penance Service.

Fr. Ron, we will always remember you and we pray that you will take care of us even in death. Your "spirit" will remain at Our Lady of Grace and you'll always remain in our hearts.

Thank you for all you were and all you did to lead us to Christ. May you see the Face of the Lord and remember us with kindness to Him. We will one day see you! Love, Sr. Virgianne & Catechists and Students of the Religious Formation.
